WEATHER OF CONCERN

NORTHERN CALIFORNIA

- Lingering showers taper off this morning. Dry and warmer conditions return beginning Wednesday.
- A warming trend is forecast for Wednesday and Thursday, with temperatures expected to climb well above normal by Thursday with widespread 80s for inland locations.
- Some light precipitation is possible over the weekend.

SOUTHERN CALIFORNIA

- A weak storm system will move through the area bringing a chance of light showers through this morning.
- No more than a tenth of an inch is expected with rainfall totals.
- Clouds should clear Wednesday, and high pressure building over the region allowing for higher than normal temperatures to occur Wednesday-Friday.

WEATHER KEY POINTS

04/16/19 - 04/22/19

Tuesday

- Snow will be ending late this morning across the Sierra Nevada Mountains
- Winds of 25 to 35 mph with gusts to 50 mph across inland and southern California will bring the potential for downed limbs, trees, and power lines through this evening.

Wednesday-Friday

- Increased temperatures midweek will begin to melt snowpack and will likely lead to rises in rivers and streams. No flooding impacts expected at this time.
- Dry conditions and offshore flow are expected with temperatures 10 to 15 degrees above normal.

Saturday-Monday

- Winds will increase this weekend across California, bringing the potential for downed limbs, trees, and power lines.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-1150, 04/15/19, 1142 hours:** Received a call from Glenn County Sheriffs Office requesting four (4) Human Remains Detection (HRD) K9s to assist in a search in a law sensitive mission. **1214 hours:** Contacted state K9 coordinator and provided him mission information. **1705 hours:** State K9 coordinator confirmed K9s for mission. **MISSION ONGOING**
- **2019-LAW-1138, 04/14/19, 1053 hour:** Received a call from El Dorado County requesting a mission number for a search at Folsom Reservoir. The search is for a missing jet skier and they are requesting boats with side scan sonar and divers. They confirmed they have coordinated with Placer County to deploy divers and one boat with side-scan sonar. They have also coordinated with Sacramento County to deploy one boat with side-scan sonar. Resources are requested to respond to Brown's Ravine boat launch on 04/16/19 at 0800 hours. Per El Dorado County, these resources have been coordinated and will deploy in the morning. **MISSION ONGOING.**
- **2019-LAW-1099, 04/15/19, 0505 hours:** Cal OES LDO received an email from CSWC requesting to contact Butte County regarding a search for a missing 7 year old and 2 year old in the mountains. The request was for 20 Type-1 ground searchers and 2 trailing dogs with flankers. **0506 hours:** Contacted Butte County and confirmed request. They advised a father and his two children went to the mountains to ride ATVs. When they did not return home, people went out looking for them and found their vehicle unoccupied. ICP location was established at Skyway Rd. and Powelton Rd. **0509 hours:** Contacted state K9 Coordinator and advised him of the request. **0630 hours:** Received email from state K9 Coordinator advising two dogs were enroute to the ICP. **0720 hours:** Nevada County advised they were deploying with 6 Type-1 ground searchers. **0736 hours:** Yuba County called and advised they were deploying with 4 Type-1 ground searchers. **1005 hours:** Nevada County confirmed they were deploying two (2) Type-2 ground searchers and one (1) Type-1 ground searcher **1038 hours:** Plumas County confirmed they were deploying three (3) Type 2 ground searchers. Plumas County confirmed they were deploying three (3) Type 2 ground searchers. **1147 hours:** Butte County requested 50 additional ground searchers for tomorrow 04/16/19. He would like resources to arrive to the ICP at 0700 hours. **1428 hours:** San Mateo Sheriffs Office confirmed six (6) type-1 ground searchers for tomorrow 04/16/19. **1533 hours:** Marin updated their confirmed type- 1 ground searchers to 19. **1540 hours:** Contra Costa SO confirmed seven (7) ground searchers for tomorrow's search. **1554 hours:** Monterey Sheriffs Office confirmed seven (7) type-1 ground searchers for tomorrow's search. **1710 hours:** Placer SO confirmed 3 type-1 ground searchers. **1721 hours:** Calaveras SO confirmed three (3) type-1 ground searchers for a two-day commitment. **1724 hours:** Mendocino confirmed three (3) type-1 ground searchers for tomorrow. **2054 hours:** Received email from Calaveras Sheriffs Office advising their three (3) type-1 searchers were no longer available to respond. **2227 hours:** Received a request from deployed Area Coordinator (AC) requesting a mission with California National Guard (CNG) for the following: Help with hoist capabilities for rescue, placed on standby; Field Force Trackers; Large tent with heat; Surveillance plane for searching. Additional request for five (5) area K9s. **2245 hours:** Contacted CNG Joint Operation Center (JOC) and requested items submitted by deployed AC. Requested the helo with hoist capabilities be staged at Chico Airport. They advised they were going to work on the request. **2253 hours:** Contacted state K9 coordinator and provided him the request for five (5) area K9s. **04/16/19, 0114 hours:** Received a text from Butte Sheriffs Office Incident Command Post (ICP) advising the father and his children were located and were in good condition. **0120 hours:** Began process of cancelling all counties with confirmed responses. Cancelled CNG and K9 request. **MISSION CLOSED**

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions – (Continued)

- **2019-LAW-1045, 04/13/19, 1203 hours: MISSION REOPENED: 04/14/19, 0820 hours:** Cal OES LDO received a call from Air Force Rescue Coordination Center (AFRCC) advising they spoke with Modoc Sheriffs Office, who advised they were not searching for the original missing subject we initially requested forensics. They requested to confirm this with Modoc. **0835 hours:** Contacted Modoc Sheriffs Office and they confirmed the original missing person is still considered to be in the group, but they identified an additional subject that's potentially in the group that is diabetic and may not have taken their medication in the past two days. **0849 hours:** Region III Law Coordinator deployed to support this incident. **0900 hours:** Contacted AFRCC and advised them Modoc recognizes the original identified MP is still with the group they're searching for. **1028 hours:** Received cell number for additional MP believed to be in the group. **1031 hours:** Contacted AFRCC and provided cell number and requested cell phone forensics. **1805 hours:** Received an email from AFRCC advising one missing person's cell phone had turned on. **1841 hours:** Received an email from AFRCC advising they received a GPS accurate location with coordinates of 40.88870/121.65604 +/- 43 feet. The location appeared to be a residence. I passed this information to our assigned Region III A/C, who confirmed that missing person was located and was okay. The two other subjects have not been located. Search efforts are continuing for those subjects. **04/15/19, 1028 hours:** received cell phone information for second missing subject. The phone belonged to an acquaintance of the missing subject and was in her name. Provided cell phone information to AFRCC for forensics. I requested the mission remain open to monitor if the phone powers up. **1912 hours:** Received a call from Siskiyou Sheriffs Office advising US Forest Services (USFS) located tracks and an arrow formed with wood. They will be deploying to that area in the morning to initiate search from that area. Shasta Sheriffs Office will be assisting. **MISSION ONGOING.**

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
